online restaurant

```
graph TD; Start([Start]) --> Restaurant[restaurant]; Restaurant --> Select[select food items]; Select --> Add[add to cart]; Add --> Review[review the order]; Review --> Address[order delivery address]; Address --> Payment[payment & information]; Payment --> Confirm[confirm the order & payment];
```

The flowchart illustrates the process of ordering from an online restaurant. It begins with a yellow oval labeled 'Start', followed by a series of blue rectangular steps: 'restaurant', 'select food items', 'add to cart', 'review the order', 'order delivery address', 'payment & information', and 'confirm the order & payment'. The steps are connected by downward-pointing arrows, indicating a sequential process.
